

2008 SOUTH AFRICA CONFERENCE

3-7 SEPTEMBER 2008
Mount Nelson Hotel
CAPE TOWN, SOUTH AFRICA

IMPORTANT NOTICE REGARDING AVAILABILITY OF PRE- AND POST- CONFERENCE SAFARI'S AND PRIVATE GAME RESERVES

We have received a communication from the General Manager of Grosvenor Tours in Cape Town regarding the spaces they are holding at various lodges for the pre- and post- extension safari trips for the 2008 Annual Meeting. Many of the lodges have requested deposits to hold the space, and as a result Grosvenor Tours has had to release the spaces at Sabi Sabi Little Bush and Earth Lodge because another group requested the space. Please be aware that these lodges have limited capacity. Grosvenor Tours is concerned that a situation may occur where the lodges become sold out, preventing IAML members from securing safari reservations.

If you truly want the safari experience, you need to act quickly.
